

Top 10 Reasons to Come to Jacksonville:

1. Significantly reduce the implementation timeline.
2. Escape from daily interruptions in your shop and dedicate time each day to build your data on your own system.
3. Complete up to 90% of estimating module setup.
4. Generate and compare live estimates on your system by the end of the course.
5. Benefit from dedicated attention to your learning needs with our very experienced and knowledgeable Estimating trainer.
6. Consult with the Estimating trainer one-on-one to address your specific questions.
7. Achieve the same proven setup successes as our other satisfied seminar attendees.
8. Interact with industry peers and share ideas.
9. Experience quality classroom instruction in our new training lab.
10. Meet the Pace Team and put faces to the names.

Seminar Details:

- **Location:** Pace Home Office - 1902 2nd Ave N Jacksonville Beach, FL 32250
- **Course Content:** Cost Based Estimating Setup and Refinement
- **Course Objectives:** The objectives for this seminar are to:
 - Set up the majority of your estimating data with supervised instruction from our Estimating trainer.
 - Teach your employees how to run estimates and evaluate estimate results.

- Teach your employees how to analyze estimate results and fine tune estimating settings to produce desired results.
- **Customer Prerequisites:**
 - Completed data gathering process as indicated in the Estimating Workbook.
 - Determined your ePace Departments, Cost Centers, Activity Codes and Budgeted Hourly Rates structure and worked with an implementer to import.
 - Granted remote connectivity security/permissions to your ePace appliance to both your employees AND Pace.
 - Running ePace v17 or higher.
- **Recommended Attendees:**
 - An employee with a thorough understanding of your current estimating and costing structure, typically your lead estimator.
 - The employee who provides backup support to your lead estimator.
- **Hotel & Flight Information:**
 - If you are flying in, JAX is the airport. The airport is about 30 minutes from the office, so you should rent a car at the airport.
 - Recommended hotels that are close to the office:
 - <http://www.qualitysuitsjacksonvillebeach.com/>
 - <http://marriott.com/hotels/travel/jaxjb-fairfield-inn-and-suites-jacksonville-beach/>
 - On the last day, the seminar will end around 1pm, thus giving you enough time to catch your return flight home.
